

3-20-16

Shooting season is back for the Desperados at Arkoe Gulch! The range is still in great shape after the winter, and despite a little bit of a chilly start to the morning we had 20 shooters join us for a great first match of the year.

Lassiter was the top shooter for the match, and Honey Bunney beat out a tough field to be the top woman for the match 😊

You may remember at the end of the season last year, President Boone gave out some awards to those who were instrumental in running the club and

especially with the move to the new range, which was quite a bit of work. Unfortunately he forgot to recognize himself and all he did to get us to this new range. So at our club meeting in February, VP Pickaway Tracker and the other club officers presented him with the “Golden Shovel Award”

The plaque reads “In recognition of your leadership, guidance and tireless efforts in the construction of our new Cowboy home, Arkoe Gulch. With appreciation, The Scioto Territory Desperados.” Thanks again Boone, for all your hard work in your first year as club President.

On that note, thanks also go out to everyone who helped with this month's match, setting up and tearing down the stages, and also to everyone who came out to shoot with us. Hope to see you next month on April 17th!
