

3-31-19

Brrrr!!! It was a chilly one today! I am definitely ready for some warmer weather! But 13 hardy cowboys and cowgirls came out to shoot with us for our fifth Sunday match, and we had a couple shooters join us at Arkoe Gulch for the first time. Thanks to Ruby Colorado and Buckshot Charlie Bill for joining us, and we hope to see you back again!

Roscoe Ranger took the top spot overall, and Clementine Valentine was the top lady shooter. It seemed the cold got the best of some of us, and we only had two clean shooters today, Pickaway Tracker and Ruger Ray. Great job!

Everyone please take note that our April match has been moved to the 28<sup>th</sup>, which is the fourth Sunday, to avoid conflicting with Easter which is on our normal third Sunday date.

A big thanks to everyone for coming out today, and to everyone who came down to help set up the stages for the match, and to everyone for sticking around to help stow everything away after the match. Thanks again to Buck Scott for driving all the way down to help with registration.

We hope to see you all in April, and hopefully it will be better weather by then! Thanks again everyone!
