

5-15-16

Despite an unseasonably chilly start to the day, we had a great turnout with 38 shooters for our May match. Two Bit Drifter was top shooter overall for the day, and Clementine Valentine was top female shooter. Nice job you two!

Ten shooters managed to get everything right and have a clean match - Brad Hinton, Buffalo Dick, Col McNalley, Dawg Bone Bill, Josie Marcus, Lonesome Chuck, Ole Saddlebags, Stage Coach Hannah, Thomas Quigley, and Two Bit Drifter.

May does have a 5th Sunday, which also happens to fall on Memorial Day weekend. The Ohio State Championship match is that weekend also, so good luck to everyone going to shoot there. For anyone not attending the state shoot but still wants to sling some lead, we will be having our match as scheduled at Arkoe Gulch.

Thanks to everyone who came out on Friday to set the stages, and to everyone who helped get everything put away after the match. And to all the club officers who put in their time month after month taking care of business, writing stages, registration and scoring, keeping the range in good shape, and all the behind the scenes work that make each match possible. And finally, thanks to each and every one of the shooters who come out to shoot with us!

Hope to see you in a couple weeks or next month!
