Well the weather changed from almost being too chilly last match, to rather on the warm side this month, so I guess we missed the brief window of nice spring weather. But I'll take the warm and sunny over cold and gloomy any day! We had a much better turn out with the increase in temperatures, as well as the Ohio State Match being next weekend, and people trying to get in one last match before then. 26 shooters came out this month, and we had some fun fast stages! There was a new shooter joining us this month, Kenny Hughes, who doesn't have an alias just yet, so until then we'll just call him "None Yet" which is what he put on the signup sheet 😊.

Lassiter was the top shooter overall for the day, and Honey B. Quick was the top overall Lady. There were 6 clean shooters, Blue Hare, Doc Adams, Josie Marcus, Lassiter, Sidewinder Jer and Stone Creek Drifter. Great job everyone!

We have some nice new plaques to dress up the range, one just a welcome to Arkoe Gulch on the sign-in shack, and one memorializing Deer Creek Dick as the official gunsmith of the General Store. Deer Creek Dick was one of the original Desperados, a great cowboy and a wealth of knowledge on guns and ammo.

Thanks to everyone for coming out to shoot with us, and good luck to anyone who will be shooting the Ohio State Match next weekend! Also, for anyone who is not going to the state match, but wants to shoot, Circleville will be shooting their normal 4th Sunday match.

Thanks to everyone who donated door prizes, and came down to set stages on Friday, and stuck around to help stow away targets and stuff after the match!

We hope to see everyone in June! We'll be having 2 June matches, on the 16th and the 30th. So come on out and enjoy the summer shooting season down at Arkoe Gulch!
