

5-20-18

Well well, we finally got some nice warm dry weather! And guess who showed up? The ladies! I guess they had no excuse not to come today! Glad to see you back out shooting with us again. With 31 shooters, we had our first match this year with two posses, so a big Thank You to Smokin Iron for leading a posse for us.

It was nice to see some people we haven't seen in a while joining us today, and Outville Slick shot at Arkoe Gulch for the first time! Nice to meet you, and hope to see you back! We didn't have any "greenhorns" coming to shoot Cowboy

for the first time, but today was our Cowboy swap meet and several people brought some good stuff to sell.

The stages were fast and fairly easy today, so we had some really fast times and a lot of clean shooters. Lassiter came out on top for the match, and Honey B Quick was the top Lady. There were 15 clean shooters out of 31 shooters overall, which is pretty amazing! The full list is up with the scores on the website.

Thanks to everyone for coming out today, and thanks for all the help setting up and tearing down stages to get the match going and then get everyone home sooner after. We really appreciate the help! Hope to see you all at Arkoe Gulch in June!
