

6-17-18

Hot, Hot, Hot!! How hot was it? Well we had 48 bottles of water and 18 shooters and there was no water left.

Mad Dog Max was the top shooter and Blue Hare was our top lady shooter. Great shooting! We had 5 clean shooters: Rope Burn Wright, Longshot Ace, Marshal Drill'em, Maverick, and The Cumberland Kid. Congrats for shooting' cool.

Marshal Drill'em shot his way to his first, first place finish! Nice shooting.

Thanks to all who helped with posse duties, tear down, and set up. We are much obliged for your help! Also thanks to Col. Mcnalley for our new target stand and to Pickaway Tracker for some fun stages. We even had a stage where we went down range to shoot shotgun and pistol targets.

Join us next month 7/15 for our Hawaiian shoot and 7/29 for Josey Wales and Shootem if ya gottem.
