

6-30-19

Summertime has officially come to Arkoe Gulch, it was a hot one today! Luckily with the shade from the roofs and a bit of a breeze, it wasn't too bad. We had fifteen shooters for our 5<sup>th</sup> Sunday match, including a few friends we haven't seen in a while. Rippen Kid, Ned Lander, Kit Coleen, and Old Iron Hip, it was good to see you and hope you can make it back again!

Lassiter was the top shooter overall for the day, and Cookie Sewgoode was the top Lady shooter. There were just two clean shooters, Lassiter and Marshall Drill'em. Nice job! Don't forget that on our 5<sup>th</sup> Sunday matches we offer the Josey Wales category, using five pistols instead of the usual guns. That was our biggest category today, with three shooters!

Thanks to everyone for coming out to shoot today, and to everyone who helped set up stages and tear everything down after the match. Thanks again to Buck Scott for coming down to help with registration, hope your wrist is feeling better soon so you can get back to shooting!

We'll be doing it again next month on July 21<sup>st</sup>, which will be our annual Hawaiian Match, so feel free to dress for the heat instead of the normal cowboy dress code. Hope to see you all then!
