It was another warm one today, but at least we had clouds most of the day and some nice covered stages providing shade! Eighteen shooters came out today, and Boaz took home the top spot overall, and Honey B Quick was the top Lady. Abe Cross, Britwit, Buck Scott, Mad Dog Max and Smokin Iron all shot clean. Nice job everyone! Britwit joined us at Arkoe Gulch for the first time, hope to see you again, it was great having you shoot with us!

Today was our Hawaiian shoot, and there were quite a few shooters sporting festive shirts and shorts... that was the smart way to go, I wish I had decided to go with that option instead of dressing in normal cowboy garb!

We will be shooting again in two weeks, on the 29th, so if you're not going to be shooting OVV's two-day match, come sling some lead with the Desperados. We will be offering the Josey Wales category as we always do on our fifth Sunday matches.

Thanks to everyone who helped set up stages and get everything stowed back away after the match, or contributed to making the match happen in any way. We appreciate all the help and everyone pitching in!

Adios, see you next time!
