How'dy Pard,

Dirty Chris is on vacation, so I try to live up to his standards. We had 25 fokes tryin to beat the heat by dressing Hawaiian on the 16th; actually it turned out to be a great day for a shoot. We had some fast and fun stages written by Pickaway Tracker and 5 shooters completed them without a miss! Good shooting Longshot Ace, Sidewinder Jer, Lady Lopez, the Hares- Blue and Gray.

The top shooter for the day was Gray Hare with a 120.61 total time. The top lady shooter was Lady Lopez with a 155.85. Great shooting!!

It was good to see some old friends again; Lady Lopez, Chigger, The Hares, Longshot Ace, Corbin Dallas, and a new comer, back for the second time Dry Ball, great to have you'al back! And of course it was great to see our regular crew again.

Thanks to all those who helped with the posse duties, setting stages and tear down; couldn't do it without ya!

Remember this weekend is the FINAL SHOWDOWN at OVV; and next weekend is our 5th sunday shoot at Arkoe Gulch, we will be offering Josey Wales along with all SASS categories.

Adios,
Boone
