

7-30-17

What a gorgeous day for a cowboy match! 26 shooters came out to enjoy the sunshine and slightly cooler temperatures, as well as a few spectators. Lassiter was the top shooter once again for the day, and Honey B Quick was the top Lady shooter. Great Job! A whopping nine shooters managed to shoot the whole match clean, Buck Scott, Bushwhacker Al, Crazy Cryder, Dawg Bone Bill, Dirty Chris, Lassiter, Mad Dog Max, Maverick (who the heck is Maverick?), and Pickaway Tracker.

The website and schedule said that this shoot was going to include the “Shoot Em if You Got Em” category, but we all completely forgot about it. Everyone except Paragon Pete, that is. So he had no competition in that category, and easily won using his .22 pistols and rifle, and a modern pump shotgun.

We also had the Josey Wales category offered, as usual on our 5th Sunday matches, and there were four of them today. Dry Ball took the win there, and I believe it was his first try shooting Josey Wales!

Osa’s General Store is starting to take shape a little bit, so stay tuned to the Facebook page and check your emails from Boone for news about any upcoming work parties to get the construction on that done.

We’ll be back again shooting on August 20th, but it’s not too early to remind everyone about Fandango in September, the 16th and 17th, which this year will include a Saturday evening 4-stage mini match with a campfire hotdog roast afterward, and then our normal Sunday match the next morning. You can attend either one independently or both. I plan on taking my tent and camping at the

range instead of driving two days in a row, and I believe there are some hotels in Waverly or Piketon that wouldn't be far from the range.

Thanks to everyone for coming out to shoot with us today, and special thanks to all who pitched in with setup, teardown, and everything else it takes to put on the match. And also a big thanks to Smokin Iron, who consistently leads the second Posse when we have enough shooters for two.

See you next month!
