

8-19-18

Well another fine day of shooting at Arkoe Gulch is in the books! We had 19 shooters come out for our August match, and Roscoe Ranger came away with the top spot overall, and Honey B Quick was the top Lady. Great job Roscoe and Honey! Five shooters managed to do everything right and earn a clean match chip, Dirty Chris, Josie Marcus, Lonesome Chuck, Roscoe Ranger, and Stone Creek Drifter (although I'm not sure "clean" is the best way to describe his shooting).

If you haven't gotten the message by email or on the website, the Thursday fun shoots we were trying out have been canceled for the rest of the season. There just wasn't enough participation to make it worthwhile.

But there will be plenty of shooting next month! September means it's time for Fandango, so the weekend of the 15th and 16th we will be shooting cowboy trap and a 4 stage mini match on Saturday, followed by an arcade shoot, bonfire, and plenty of hot dogs and other grub for dinner. Then Sunday will be our normally scheduled match. You can come to either day on its own or to both, you don't have to shoot both if you can't make it. There will be primitive camping available at the range, and there are hotels available nearby in Piketon and Waverly.

But wait, there's more! September has a fifth Sunday, so we will be shooting again on the 30th.

Thanks to everyone for coming out, and for helping set up and tear down the stages. Hope to see you all at Fandango!
