

8-30-15

What a great day for shoo-in' at our new range, sunny with clear blue skies and a gentle breeze. It was a bit on the warm side but the shooting was fast and furious! Top shooter for the day was Lassiter with a 102.96. Our top lady shooter was Rimfire Randi with a total of 143.67.

39 gunslingers in all, with several new shooters and some old friends showed up to test 6 fast stages written by Pickaway Tracker, good job Pick. Lucky Levi ambled in for a visit; nice seein' ya Levi. Makin' the trip from Indiana were the Indy Kid and Calamity Kelly; good to have ya'all with us. Scottish Peggy, Old Pack Mule and the Sundance Kid tried their hand at Cowboy Action Shooting for the first time and made a very good showing, finishing well in their categories.

Thanks to all who helped with setup, tear down, timing, scoring and making it a fun day!

Next month we will be hosting the New Shooter Orientation on Saturday September 19th and our main match on Sunday the 20th. Go to our new website created by Dirty Chris for detail and entry forms [www.sciotodesperados.com](http://www.sciotodesperados.com).
