

9-18-16

Well Fandango 2016 is in the books! For a while it looked like we may have to duck and dodge some raindrops, but the rain never came and it turned out to be a nice day for shooting. 22 shooters came out to celebrate our anniversary at Arkoe Gulch, and Stone Creek Drifter came out on top for the day, and Honey B Quick was the top female shooter. Five shooters shot clean for the match, Doc Adams, Lonesome Chuck, Marshal Drill'em, Stone Creek Drifter, and Tinhorn Al. Great Job!

For those of you that didn't make it out to the match, you missed out on some really good grub! Smoked pork, chicken, beans, mac n cheese, and more. I know I ate as much as I could and wished I could have eaten more, it was so good! And so many door prizes we had to hand out extra tickets to everyone. Everybody went home with at least one prize!

Thanks to everyone who helped out with the match in any way, from setting up and tearing everything down, to donating door prizes, and everything in between. And thanks to all who have come out to shoot with us over the past year, we hope everyone has been enjoying the new range, and we will continue to make improvements to make it even better!

Hope to see you all on the range next month!
