

9-29-19

The calendar may say it's the end of September, but Mother Nature still thinks it's summer time... it was a nice warm day for a match, but it felt great in the shaded stages at Arkoe!

We had 15 shooters for the match today, including Gun Totin' Doc and Deadshot Daisy, who have not shot with us in quite a while. Welcome back, and we hope you had a good time and hope to see you again soon! Mad Dog Max was the top shooter overall for the day, and Josie Marcus was the top lady shooter. Great job! Blue Hare, Dirty Chris, Josie Marcus, and Mad Dog Max all had clean matches.

The "Stage Wrangler" schedule for 2020 has been posted on the website. Thanks to everyone who stepped up quickly and volunteered to take responsibility for the matches! What we need now is for people to sign up to help with match set up. Some of the Stage Wranglers will be setting up the stages on the morning of the match, so we like to have some people commit to arriving a bit early (8:30) to help get the targets and everything in place. The schedule is posted on the home page of the website, take a look and if you know you will be at a certain match and can help, shoot Roscoe Ranger an email and he can get you added to the list. Thanks again to those who have taken on the Stage Wrangler position!

Our next match will be October 20<sup>th</sup>, and will be our Halloween match! So feel free to dress up in a costume or in your regular cowboy duds, but expect a fun time! See you then!
