

10-16-16

Thanks to everyone for coming out to shoot today, and what a beautiful day we had for it! We has 25 shooters join us today, and I believe three of them were visiting Arkoe Gulch for the first time, so a big Welcome to Johnny Longpants, Sheriff Chubby Johnson, and Missalotta T! Great to have you with us today and we hope to see you again in the future.

Lassiter was the top shooter for the day today, and Josie Marcus was the top lady shooter. We had five clean shooters; Doc Adams, Lassiter, Mad Dog Max, Maverick, and Tinhorn Al. Great job to all of you!

A big thanks as usual to all involved in organizing and running the match, and to everyone who came out Friday to set up or stuck around after the match to tear everything down.

Don't forget, two weeks from now will be a fifth Sunday in October, so we will be shooting again on the 30th. It will be our annual Halloween Match, so feel free to come dressed in a costume, or your regular Cowboy duds are fine also. But it should be a fun time so don't miss it!
