

10-21-18

We had a spooky and fun time at Arkoe Gulch for our Halloween match! Lots of fun decorations, special targets, and cooler temperatures definitely made it feel like a Halloween match. 14 shooters were brave enough to come shoot among the skeletons and spiders, and Lassiter was the top overall, and Josie Marcus was the top lady shooter. Four shooters managed to finish with a clean match, Josie Marcus, Mad Dog Max, Marshal Drill'em, and Sidewinder Jer.

If you weren't at the match, you missed some fun after the last stage! We had a few big cans of baked beans, and we drew door prize tickets for a chance to shoot at them with the gun of your choice! I think Jerry shooting a deer slug from a shotgun was the winner for biggest explosion, but Maverick sure made a mess as well! Check out some videos on the website.

Thanks to everyone for coming out, and thanks to everyone for helping to set up and tear down the stages. President Boone had some Top Hand awards to hand out to some of the people who have been especially helpful with the club. We are blessed to have enough great help that I can't remember all of them, but you know who you are, and a big thank you again!

We will be shooting again in November if the weather is good enough, so keep your eyes on the website when it gets close to match time, we will post whether or not we will be having the match. Let's hope for a nice warm day and one more match at Arkoe Gulch before winter gets here!
